Re: Atmos Energy Corporation - Petition for Confidentiality received 6/30/08
PSC Case No.: 2008-00240

Dear Mr. Hutchinson:

The Public Service Commission has received Atmos Energy Corporation's Petition for confidential treatment requesting to protect as confidential certain information contained in its Gas Cost Adjustment for the quarterly period 8-1-08 through 10-31-08. This information is described as Exhibit D which contains actual prices being paid for natural gas to its suppliers; and WACOG schedule in support of Exhibit C, page 20 which contains prices projected to be paid for purchase contracts.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, Louisville Gas and Electric Company is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely

Stephanie Stumbo,
Executive Director
